Chief Rafferty,

Thank you for your interest in our law enforcement program - Neighbors Portal by Ring. Please find a summary of our program, below.

Program Summary

Our platform combines the deterrent value of a visible security system (devices) with the power of an actively engaged community (via a free app) to reduce criminal activity and to help solve open investigations.

Subject: In-App Announcement

Hi Deputy Chief Rafferty,

Before we proceed with activating Midlothian's Neighbors Portal, Ring will need to schedule our standard in-app announcement. This message comes from Ring and will be viewable to all Midlothian Neighbors app users.

The standard message template can be viewed here and is simply to inform our users and set the stage for your participation on the app. **Once approved, we can move forward with the training.**

Public Announcements & Responding to Press/Media Inquiries

Once your in-app announcement goes live, I'll follow up with talking points and sample social media posts. Until then, please refrain from external-facing outreach or publicizing of the Neighbors App, Neighbors Portal and/or partnership.

Please be sure to connect with myself as well as Ring's PR team [REDACTED] regarding any inbound media inquiries.

Please reach out with any questions!

Chief Rafferty

Thank you for arranging our meeting yesterday to learn about Ring's approach to reducing crime in communities.

Program Summary

Our platform combines the deterrent value of a visible security system (devices) with the power of an actively engaged community (via a free app) to reduce criminal activity and to help solve open investigations.

Neighbors Portal is Law Enforcement's access to our platform. Portal highlights include:

1. **No Cost** - Neighbors Portal by Ring is a free service offered to Law Enforcement.
2. **Community Engagement** - Law Enforcement's ability to join the conversation on the Neighbors app (in response to videos or comments posted by the Neighbors community).
3. **Alerts** - Ability to post alerts based on proximity to the recipient, in the Neighbors app.
4. **Video Request** - Ability to request videos from Ring device owners who may have captured footage, that may be of help to you for new or active investigations.

As the attached MOU is reviewed, please feel free to contact me at any time. My direct number is [REDACTED]. As part of our security protocol, I have mailed a postcard to you with a code. Once you receive it, please enter the code at the end of the MOU document, along with the signature, prior to sharing it with me via email (hard copy is not required).

In the case where the MOU may need to go before City Council, we want to be sure to provide the proper support in advance. Please let me know if this is the case and I will loop in our PR/Media team for support.

Could you please help me identify the personnel in the highlighted roles (full names and emails please)? Once we receive the signed copy of the MOU and the information below, we will be ready to move forward in the process.

- Partnership Coordinator - Chief Larry Rafferty [REDACTED]
- Public Information Officer / Social Media Liaison - **TBD**
- Investigative (CID/Crime/Property Crime) - **TBD**
- Community Outreach Officer - **TBD**
- Social Media Coordinator - **TBD**

Thank you again for meeting with me. I look forward to working with you.
